Our Plan for a Perfect Christmas

Enjoy a truly relaxing and memorable festive break with our Perfect Christmas Three-Night Package. Christmas can be one of the most stressful times of the year — so let us take care of everything while you enjoy quality time with friends and family.

The Marine Hotel captures the spirit of the season with comfortable accommodation, delicious home-cooked meals, festive competitions and entertainment throughout your stay.

Arrive on **Christmas Eve**, settle into your room before joining us in the bar for a welcoming **sherry reception**. The evening continues with a **three-course dinner**, followed by **live entertainment** to begin your festive celebrations.

Christmas Day - Wake up to a **continental breakfast**, then enjoy a leisurely morning — perhaps a stroll along the promenade before your traditional Christmas feast. Lunch includes **all the trimmings**, served in a warm and festive atmosphere. After the King's Speech, join us in the lounge for **tea and Christmas cake**. The evening meal will be a relaxed **Christmas Buffet**.

Start the day **on Boxing Day** with a full cooked breakfast. In the evening, enjoy a **three-course dinner**, followed by entertainment in the bar.

Your stay concludes with a full traditional breakfast before departure.
